

ORDINANCE PROPOSED

In Council To Issue Bonds
In Sum Of \$10,000

For Purchasing A Public Play-
ground Site

Which In Reality Will Be An
Armory Site

Ordinance Is Referred To
Park Committee

Council Takes Recess Until
Thursday Evening

That the proposition for securing an armory in the city of Mt. Vernon is anything but dead or has even reached a moribund state and that interested parties are possessed of an indomitable spirit in carrying the measure through to success was evidenced at the regular meeting of the council Monday evening, when an ordinance was introduced providing for the issuance of bonds in the sum of \$10,000 for the purpose of purchasing a site for "a public park and playground" for the city of Mt. Vernon.

Though not expressly mentioned, and although no councilman would officially state that such was the purpose, there seemed to be a tacit understanding that the "playground" would be devoted to the romping of Battery B, the G. A. R., grange gatherings, etc. It was also the strong desire of council that the public be acquainted thoroughly with the real nature of the "playground." In other words, there was no evidences of an attempt to foist something on the people, under a mysterious guise and by "railroad" methods.

The above method was carefully investigated and decided as sound, safe, legal and the logical solution of the vexing question of securing an armory for this city, in view of Attorney General Turner's recommendation to the state industrial commission not to accept the bonds of a city when they were to be devoted to an armory purpose, because of questioned legality of such a procedure.

After the first reading of the ordinance, Councilman Dubinsky, who has opposed the armory proposition all along on the grounds that the question should be submitted to the electorate of the city, moved that the ordinance be referred to the public improvement committee. The motion was lost for want of a second. In the meantime, an opinion of City Solicitor Koons to the effect that council had a legal right to pass such an ordinance was read. Councilman Dubinsky objected to the procedure, stating that the site would be used for other purposes than a playground or public park and was answered by President Banning, who surrendered the chair to Councilman Salisbury, and commented that whatever the purpose might be, it at least would be a good purpose and one which would benefit the entire community. It was then moved by Councilman Weaver that the ordinance be referred to the park committee, with instructions to report at the next meeting of the body. Motion was carried.

The report of Mayor Perrine for the month of June showed \$59 collected and turned into the city treasury, and \$55.40 collected and turned into the county treasury. The report was received and filed. It was later moved by Councilman Weaver that the \$50 to be turned into the city treasury be turned into the street repair fund of the city. Seconded and carried.

The following report of Chief of Police Parker of arrests for the month of June was read, received and filed: Suspicion—2.

Keeping place for unlawful sale of intoxicants—2.

Intoxication—13.

Using obscene and licentious language in presence of female—1.

Malicious destruction of property—1.

Reckless driving—1.

Assault—2.

Execution—1.
Forgery—1.
Vagrancy—48.
Total—72.

Thirty-four calls were answered by policemen and reported back to the office during the month.

A petition was received from residents of North Norton and West Burgess streets, asking for the installation of a sanitary sewer. Supt. Charles E. Welch of the Mt. Vernon hospital, speaking for these citizens, was granted the privilege of the floor and advanced reasons for putting in the sewer, speaking of the cost to his hospital of the maintenance of an aseptic tank and also of the desire of the residents of the streets for the sewer and, when that was put in, of a further desire for the paving of West Burgess street. The petition was referred to the sewer committee.

A petition from property owners on Belmont avenue, asking that the city furnish tile for a gutter on that street was also referred, on motion, to the sewer committee.

The old question of sidewalks on Cherry street was dug up from musty obscurity by a communication addressed to council from a large number of residents of that section, asking that certain property owners in the western part of B precinct, Second ward, be required to construct sidewalks. The sidewalk committee was requested to investigate the matter.

An ordinance directed against the placing of nails, tacks, broken bottles, barbed wire and like articles on public highways was given three readings under suspension of the rules and then referred to the ordinance committee.

The question of issuing certificates of indebtedness to pay for the sewage disposal plant came in for its quota of discussion when an ordinance providing for this was introduced. The amount of the certificates had been left blank and the question raised was what amount should be filled in. The insertion of \$4,000 was advised by Service Director White, since the ordinance read so that the auditor could use his own discretion according to the needs of the situation, the same was done and the ordinance passed.

Four residents of Chester street appeared before council and presented a number of reasons why they should not be required to lay sidewalks there in accordance with orders received. The general tenor of their remarks seemed to be that the street was rarely traversed on account of the bad condition resulting from mud-holes, and that, accordingly, the street itself and the crossings should be fixed before any laying of sidewalks was done. There were also several councilmen agreed that the streets should be repaired, and brought up the point that the matter was up to the service director and really outside of council's hands. No action was taken.

Another man who had been ordered to lay a sidewalk, Mr. Jay Pelton, of North Mulberry street, stated that he was ready to lay the sidewalk at any time, but that the grade struck some time ago would compel him to dig two feet and four inches into the ground, thereby striking the gas pipe and, if the street itself were not graded, creating a large mud hole. Councilman Deenis made mention of the fact that Mr. Fred Merrin of that street was in much the same position in regard to laying a sidewalk. Both matters were referred to the street committee.

Councilman Deenis moved that the laying of a sidewalk and the widening of Elliott street by the city be referred to the service director. Motion carried.

Still another sidewalk proposition was presented when Mr. Barney Kern spoke of the need of sidewalks on West Sugar street between Elm and Jackson streets. He was instructed to consult with his councilman about the matter.

Councilman Salisbury spoke of the dangerous crossing at Coshocton avenue where the street car line runs through, and suggested, in the form of a motion, that the safety director place some sort of a danger signal at this crossing.

A letter was received from Mayor Perrine, stating that he had appointed Mr. Charles Bird a member of the board of health, in place of Mr. A. T. Baitzell, who resigned.

Recessed until Thursday evening.

HORSE TRADER

Had His Hands Full in Trying to Prevent Runaway

A horse trader, driving south on Main street Tuesday morning at 9 o'clock, with a horse and a colt in tow, had a runaway when the horse which he was driving shied at a street car. The man stuck gamely to the lines, although the horse dashed up on the sidewalk in front of W. P. Sawvel's wool store, narrowly missing a woman pedestrian. In trying to subdue his animal the trader let loose of the horse and colt and they were captured near Lake's garage by bystanders who witnessed the affair. No damage was done.

STRICKEN

By Death While Driving His
Automobile

Simon L. Rice, well known and influential Ashland citizen, died very suddenly in his automobile as the result of an attack of heart disease while he was en route Saturday morning on a pleasure trip to Weston, Wood county, where he and other members of his family had expected to visit with relatives over Sunday, says the Mansfield News.

The party was driving near Savannah when Mr. Rice was stricken. When he left Ashland, at about 6 o'clock in the morning, he was in a jovial mood and feeling about the same as usual. The party was driving down the hill leading to the crossing of the Vermillion river, about 3 miles northwest of Savannah, when Mr. Rice suddenly ceased his conversation with Mr. Lewis, who was on the front seat with him. Then he suddenly removed his cigar from his mouth and threw it forcibly into the bottom of the car. Suddenly, as the machine was going down the hill, Mr. Rice released his foot from the brake and the car started to gain speed. Mr. Lewis saw that he had been overcome and grasped the steering wheel and applied the brake. The car was stopped and Mr. Rice given every attention, but he could not be revived. A physician who had been summoned stated that death was instantaneous.

Mr. Rice was 67 years of age and for many years was a prosperous farmer residing near Red Hawk. He is survived by his wife and three daughters, also two brothers and five sisters.

Better Than Life Insurance

Twenty-five cents invested in a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy will enable you to protect your family from any serious consequences resulting from an attack of colic or diarrhoea during the summer months. Is that not better than life insurance? Buy it now. It may save life. For sale by all dealers.

MT. VERNON WOMAN

Receives Invitation to Reunion of the
Rockefeller Family

Mrs. Glenn Miller of North Gay street has received an invitation to attend the eleventh annual reunion of the Rockefeller family which will be held September 2 and 3 at Sunset Hall hotel, Asbury Park, N. J. Mrs. Miller was formerly Miss Gertrude Rockefeller and her great grandfather was a brother of the father of Mr. John D. Rockefeller, the financier. A feature of this year's reunion of the family will be a trip to Larason's Corner, where a monument has been erected by Mr. John D. Rockefeller to Johan Peter Rockefeller, the founder of the American branch of the family. Mrs. Miller attended one of the reunions several years ago, but will be unable to go this fall.

Headache and Nervousness Cured

"Chamberlain's Tablets are entitled to all the praise I can give them," writes Mrs. Richard Olp, Spencerport, N. Y. "They have cured me of headache and nervousness and restored me to my normal health." For sale by all dealers.

Installing Officer—District Deputy Bertha Belt.

Miss Esther E. Burris of Lima is the guest of Miss Josie Burris.

WHY YOU ARE NERVOUS

The nervous system is the alarm system of the human body. In perfect health we hardly realize that we have a network of nerves, but when health is ebbing, when strength is declining, the same nervous system gives the alarm in headaches, dizziness, dreamless sleep, irritability and unless corrected, leads straight to a breakdown. To correct nervousness, Scott's Emulsion is exactly what you should take; its rich nutriment gets into the blood and rich blood feeds the tiny nerve-cells while the whole system responds to its refreshing tonic force. It is free from alcohol. © Scott & Bower, Bloomfield, N. J.

THE WRONG MT. VERNON

In the engineering Record of July 10 appears an item under the heading of Biddings and Lettings, of the opening of four bids on June 24 by the supervisor of architecture, Washington, D. C., for the erecting of a post-office building at Mt. Vernon, Ohio. Manifestly, this is a mistake. From the residences given of the four bidders, the building is probably located at Mt. Vernon, N. Y. The bill for a government building for this city has not yet passed congress.

Best Diarrhoea Remedy

If you have ever used Chamberlain's Colic, Cholera and Diarrhoea Remedy you know that it is a success. Sam F. Guin, Whatley, Ala., writes, "I had measles and got caught out in the rain, and it settled in my stomach and bowels. I had an awful time, and had it not been for Chamberlain's Colic, Cholera and Diarrhoea Remedy I could not possibly have lived but a few hours longer, but thanks to this remedy, I am now well and strong." For sale by all dealers.

Mr. Fred Fish left Tuesday for Detroit, Mich., where he will spend several days on business.

Mr. Paul Smithhiser of Chicago, Ill., is spending three days here with his parents, Mr. and Mrs. Michael Smithhiser. Mr. Smithhiser, who is a member of an architectural firm in Chicago, was in Cleveland on the firm's business and took the opportunity to come here.

City Auditor Edward L. Parker has received a post card from Mr. and Mrs. John W. McCoy, formerly of this city, stating that they arrived in Los Angeles, Cal., safely on their overland auto trip. They went through the desert at night, without a mishap. Mr. and Mrs. McCoy expect to be in Los Angeles two weeks.

PROMOTER

Now Working In The Village
Of Centerburg

Mr. Arno Merkel of Cincinnati, who has been in the city for a number of weeks, promoting the location here of a factory for manufacturing spring automobile wheels, has transferred his activities to Centerburg. In the past week, \$12,000 has been raised in that city for the factory. Mr. Merkel was in Mt. Vernon Tuesday, endeavoring to secure a transfer of the \$3,200 subscribed by local people to the Centerburg fund.

Mr. B. B. Williams left Tuesday for Cleveland, where he will spend several days on business.

Cured of Indigestion

Mrs. Sadie P. Clawson, Indiana, Pa., was bothered with indigestion. "My stomach pained me night and day," she writes. "I would feel bloated and have headache and belching after eating. I also suffered from constipation. My daughter had used Chamberlain's Tablets and they did her so much good that she gave me a few doses of them and insisted upon my trying them. They helped me as nothing else has done." For sale by all dealers.

A Traveling Man Cured

P. B. Counterman, a traveling man of Joplin, Mo., writes: "Twelve years ago I was a great sufferer from stomach trouble. I tried nearly every medicine I could hear of, among them I used fifteen bottles of one popular preparation, but never found anything that did me any permanent good until I took Chamberlain's Stomach and Liver Tablets, which have effected a permanent cure. It has now been five years since I took these tablets, and I have had no more stomach trouble during that time. I have recommended Chamberlain's Tablets to a great many sufferers with stomach trouble, and traveling salesmen, and have met many of the boys on the road that are afflicted with disorders of the stomach as they have to put up with all kinds of half cooked grub at the different country hotels, which is one cause of this dreadful disease."

Made My Life Worth Living

"I feel it my duty to tell others what Chamberlain's Tablets have done for me," writes Mrs. L. Dunlap, of Oak Grove, Mich. "I have suffered with pains in my back and under my shoulder blade for a number of years, also with a poor appetite and constipation. I tried all of the remedies that I heard of, and a number of doctors, but got no relief. Finally a friend told me to try Chamberlain's Stomach and Liver Tablets. I got a bottle of them and they soon helped my stomach; by their gentle action my bowels became more regular. Today I feel like praising them to all who suffer as I did, for they have cured me and made my life worth living."
